THE SENIOR CLASS

of

**DUXBURY HIGH SCHOOL**

**DUXBURY, MASSACHUSETTS**

# *To Our Readers*

We have tried to gather together for you the things we believe are memorable about our years at Duxbury High . . . in many pictures . . . fewer words.

## *Appreciation*

We like to thank people. It's a pleasant way of expressing gratitude to people like Miss Collins Mrs. Bassett, Mr. Sands, and Mr. King, who have assisted us with our yearbook.

There are others too! High school students, faculty, and townspeople all have taken an interest and have worked with us. So we say, "Thank you," from the bottoms of our hearts.

*Here we train  
mind and hand  
for the common good.*

*When you have  
a good idea of  
what you want  
to do in life  
Miss Collins*

## Dedication

When the Staff was ready to dedicate our 1950 *Partridge*, we all said, "Miss Collins!" That was the way everybody wanted it, because she's our idea of the perfect senior adviser.

## PARTRIDGE STAFF

“Oh, do we have to cut that out too?” These words were repeated over and over again during nightly meetings of the staff. Even though some of our most cherished ideas have fallen to the blows of the economy axe, we are still certain that this is the best yearbook ever. We hope you will enjoy looking at it; we certainly had fun producing it.

*To The Members of The Class of 1950:*

As you face the problems of the future you must remember that you received your education during times when the world prepared for war, fought the war, and adjusted itself from war to peace. No one can safely predict what conditions you face. We know that Atomic Energy will affect your lives; we know that world peace must be secured; and we know that education of all the people will be the only true way to secure and hold peace.

We know that the safety of nations depends upon young people like you. If there is any message that we would send with you as you go your separate ways into the business world, let it be this—"Keep your common sense. Be guided in your actions by those fundamental principles of democracy and truth which we have attempted to instill in you. Have confidence in yourself, have trust in your fellow men, and have faith in God."

The School Committee, your teachers, and the students left behind wish you well. Leave us now, but don't forget us. We will not forget you.

*Charles P. Lawrence  
Superintendent of Schools*

Dear Seniors:

Your teachers believe you have developed a respect for scholarship and a desire to react intellectually rather than emotionally. The tolerant manner in which you evaluate the merits of each member of your class shows that you are beginning to recognize the social worth of each individual. One of the most prized possessions of any group is the ability to work together for a common goal. This quality, which entails individual responsibility for actions of others, is a prerequisite for a smoothly functioning democracy in any country. You are not drifting; you have a plan for the future. There is evidence that you have acquired some of the techniques of self-education. Since Society is not organized to guide and help you beyond the high school age, these are the qualities upon which you must depend.

Many of you will soon leave Duxbury for further education, business careers, and life. The faculty wishes you every success and believes that you are prepared to meet the demands of an ever changing world.

The droghite of Marche hath perced to the rote. . . .

His scholarship was what he truly heeded.

And gladly would he learn and gladly teach.

For any man, unless he is a fool,  
Knows well that every part comes from the whole. . . .

All that men write shall pass,  
in prose or rhyme.  
Take every man his turn in his own time.”

#### LIBRARY SERVICE CLUB

The L.S.C. may be the oldest club in school in point of time, but has the youngest and most spirited members. V.I.P.'s in the club are Pauline Govoni, Nancy Johnson, Janice Borghesani, Harriet Mar and Mrs. Bencordo. We aid the faculty in preparing library material for class units, help the student body in research work, serve at the desk in the library, and help the librarian in her work for the school.

#### BOYS' GLEE CLUB

When one walks through the halls of D.H.S. during the fifth period on Thursday, he undoubtedly hears the voices of twenty-five male students in perfect harmony. For at long last, the boys have formed a Glee Club, thanks to Miss Hadley, their adviser.

As yet, they have not done much singing in public, but they have sung at P.T.A. meetings and at the Unitarian Church during the Christmas season. A spring festival, in which boys, girls, and band will entertain the public, is planned.

Here's hoping this Glee Club is the start of a great idea in Duxbury High School and that it will continue for many years!

#### SPECIAL SERVICE CLUB

The boys in this club are responsible for the Visual Aid Equipment in the school. When a movie, a record, or the tape recorder is needed, members of the S.S. Club come to the rescue.

**MARSHAL SYSTEM**

ou meet us on every corner. We give you slips of white paper signed by our president, Dick Warrick; and our secretary, Judy Wirt. Maybe it's because you walked on the grass, shouted at or pushed someone in the lunch line . . . And it goes. No one seems to mind when he receives one of these warnings, but when he gets three, it's order! You will find those who have had the warnings mopping floors, following the janitors around, or scraping off gum. Yes, these students have been before the Student Council. Aren't we mean?

**THE BAND**

T-o-o-o-t . . . Bla-a-a-t . . . bo-o-om!  
 What in Heaven's name is that?  
 The new band tuning up. It's wonderful.  
 And are we proud!

**DRAMATIC CLUB**

It's a wonder our Faculty Adviser, Miss Gray, isn't bald-headed. She's certainly torn her hair at the innumerable rehearsals for the club's production of MARY-GO-GO-UND. Lucky she had enough patience for the Third Annual Tournament of Plays produced by the club.

#### BOYS' QUARTET

"Would it be possible?" ask Buddy.

"It would be a lot of fun," pointed out Carleton.

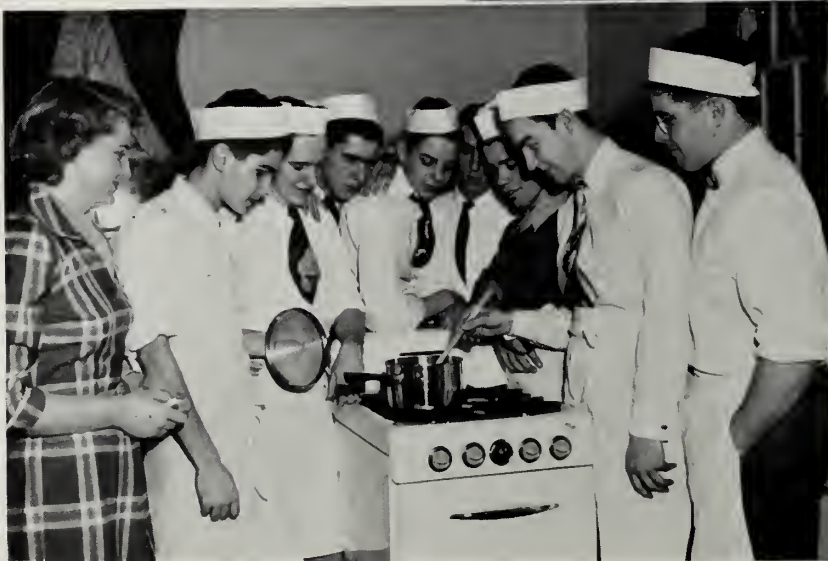

"It sure would be," affirmed "Let's go get Dick and find M Hadley.

Miss Hadley was astonished, l very co-operative. The stud body was astounded but delight These barber-shoppers were on beam, but def!

#### GIRLS' GLEE CLUB

Do we like music? The answer is, "Yes!" And you can hear plenty of it any Tuesday afternoon you wish. If it's rhythm you want, the Girls' Glee Club has it. When its twenty-eight members all join together, with Miss Hadley at the piano, who can help wanting to sing?

The girls have been successful in carol singing, assembly programs, a minstrel show, and a spring festival.

#### CHEFS' CLUB

Our Platform:

We believe the bachelors (and husbands) of tomorrow ought to be able to cook a meal fit for human consumption. That i why we learn the essentials o good cooking, which will surely come in handy in later life!

With the help of our able ad viser, Mrs. Rice, we are sur that we will thus save ourself from starvation.

### STUDENT COUNCIL

Every school has an organization of which it is proud. In D.H.S., that organization is the Student Council. Of course it isn't perfect, but we feel it's mighty close to it!

"Why not do this?" "Why not do that?" No sooner said, than done! That's the way the Council operates. Democracy is the keyword and proud we are of it.

### ATHLETIC ASSOCIATION EXECUTIVE BOARD

Under the capable direction of Mr. Vaughan, the Executive Board of the Athletic Association has had a busy and successful year sponsoring athletic events in Duxbury High School.

### HONOR SOCIETY

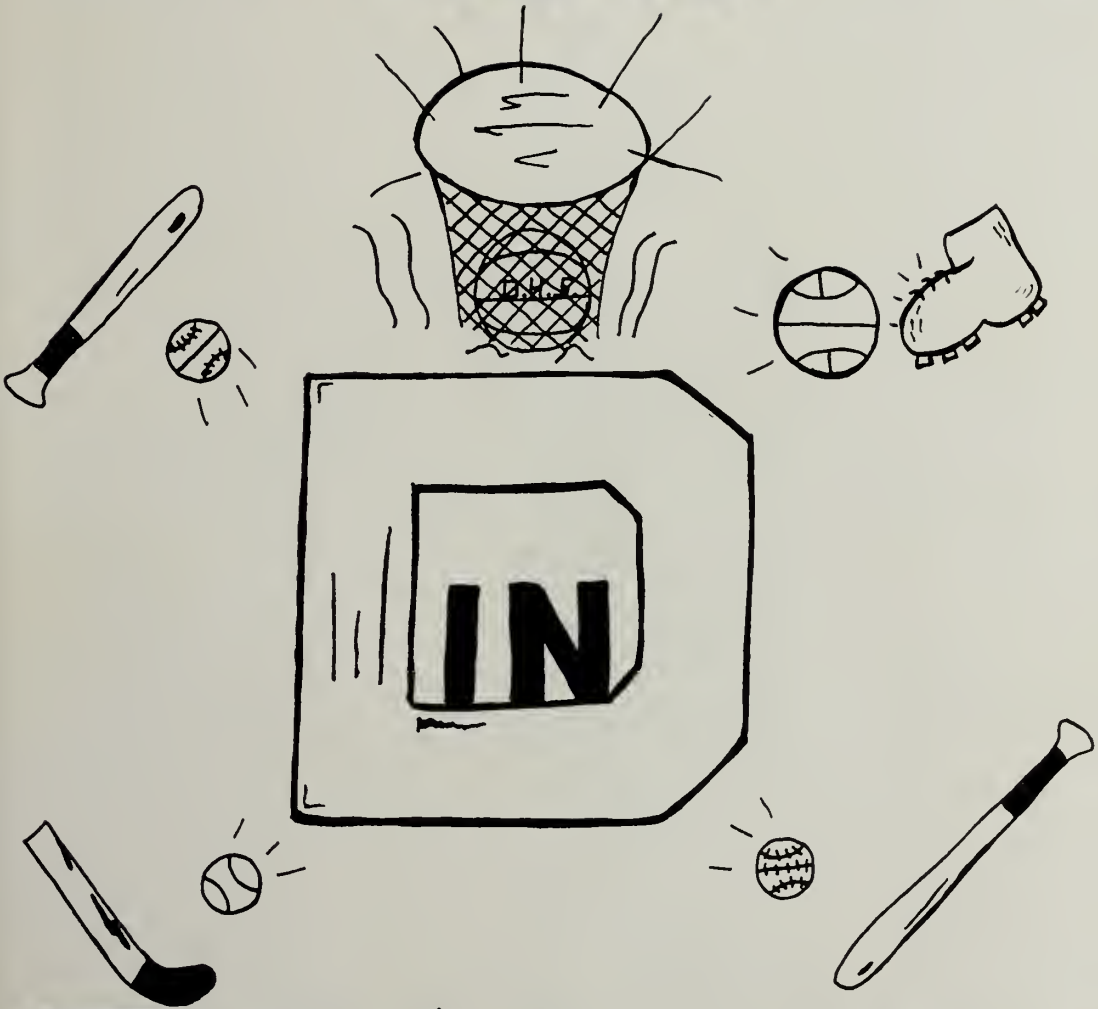

Character, leadership, and service are the "Big Three" of the Honor Society. Duxbury High School's seven members deserve and have our admiration.

# REVIEW

R. J. Wansker

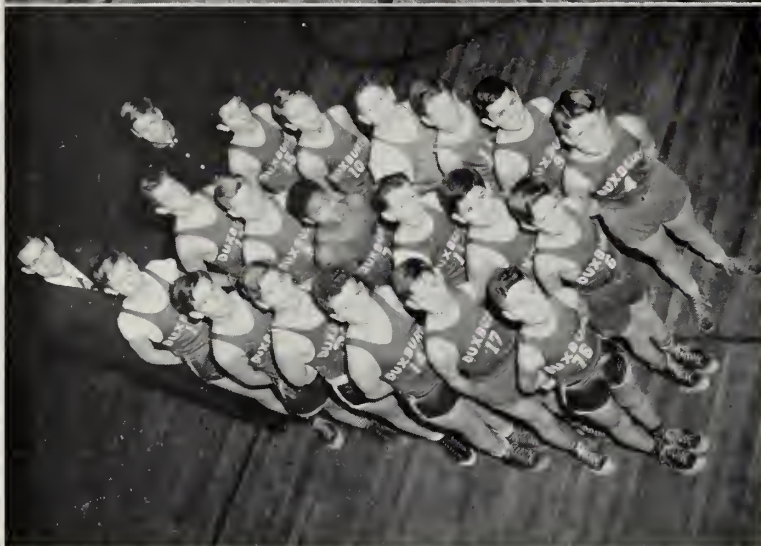

#### GIRLS' BASKETBALL

There were games that made us happy,  
 There were games that made us sad,  
 But the girls were always "in there"  
 Giving every bit they had;  
 They'd pivot, they'd dribble, they'd screen  
 and they'd play;  
 Their "cutting" was weak, but their spirit  
 "O.K."

For '50, here's hoping success is secure,  
 Not all years can make champions,  
 But for '50 we're sure!

#### JUNIOR BASKETBALL

Often when we look at the champion-  
 ship basketball teams of Duxbury we  
 forget that much of the credit for learning  
 the fundamentals of basketball belongs to  
 the Junior Basketball Team. Under  
 Coach King these junior high players learn  
 basic basketball. Later in the season they  
 play other junior high teams throughout  
 the League.

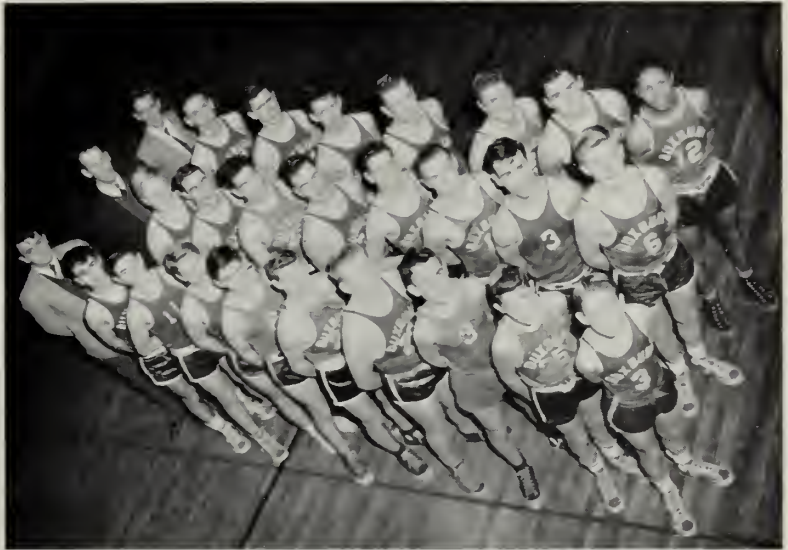

#### FIELD HOCKEY

1949  
 Sticks, ball, goals, a game!  
 Third in the League race,  
 Gee, what a shame!  
 1950  
 Obstruction, lunge, defense, and sticks,  
*Tops* in the League race,  
 Duxbury clicks!

### BOYS' BASKETBALL

As usual under the capable direction of Coach Blakeman this year's basketball team kept up its reputation of being one of the best in the League. With Captain Bob Nathan heading a squad of twenty hard working players we went ahead and won sixteen games while losing only three. After a successful league season we went up to Brockton and took the Class C championship. Even though we are losing five veterans we are looking forward to another successful season under Coach Blakeman's direction.

### SOCCER

Even though soccer is a new sport in Duxbury, last year's soccer team played some of the best teams in the state and won more than its share of the games. We were accorded a special honor when Danny White, one of our fullbacks, was elected to the second team of the Eastern Massachusetts All-Star Soccer Team.

Next year we are looking forward to another successful year of soccer under Coach King.

### OUR TENNIS TEAM

*Left to Right:* Judy Griswold, Judy Wirt, Jane Ripley, Anne Kent, Joan Walker, Mrs. Axinger.

### CHEERLEADERS

With a root and a toot and a sis boom bang,  
The cheerleaders cheered and the cheerleaders sang.  
With cheers for the visitors and cheers for our team,  
These lads and lassies were really on the beam!

### BASEBALL

Although Duxbury cannot look back on any championships, we are sure that under the guidance of Coach Sands this year's team will change this record. There is a large squad with plenty of enthusiasm and fighting spirit, and we are sure that the combination of their experience and Mr. Sand's coaching ability will give Duxbury a championship contender.

### CLASS C CHAMPIONS

Tied for the South Shore Championship, we entered the Class C Tourney at Brockton. After beating Norton and Plainville, we found that we would have to play Kingston, our league rival, in the finals. Even though we were behind for most of the championship game, we rallied in the last few minutes and won the cup.

### SOFTBALL

The outlook wasn't brilliant for the softball team last Spring,  
Yet the last game without doubt was the one game of which we'd sing.  
Look what's coming on next Spring's squad  
Vet'rans almost everyone!  
Can we make the championship? Why not?  
What's more, have a lot of fun.

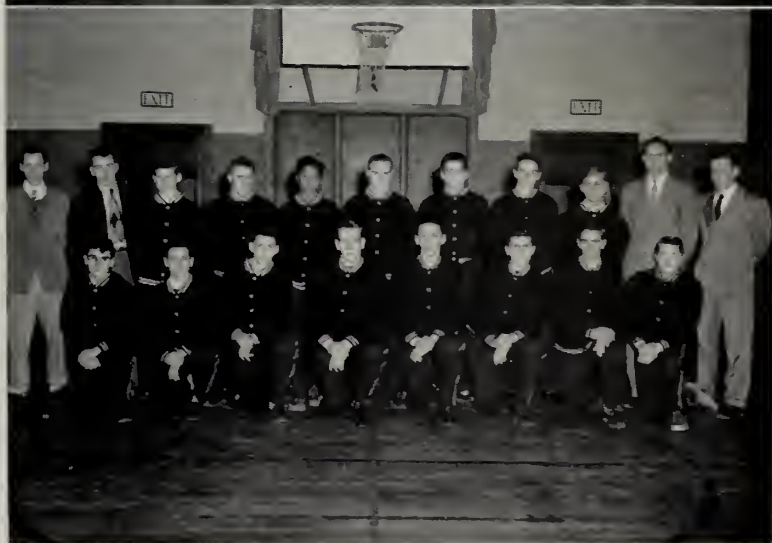

### GIRLS' TRACK

Last spring the girls were running on the track for Duxbury High,  
The neighboring schools competing found them very hard to tie.  
There was jumping high and wide, there were dashes short and long,  
But when they brought the ribbons home the cheers rang loud and strong.

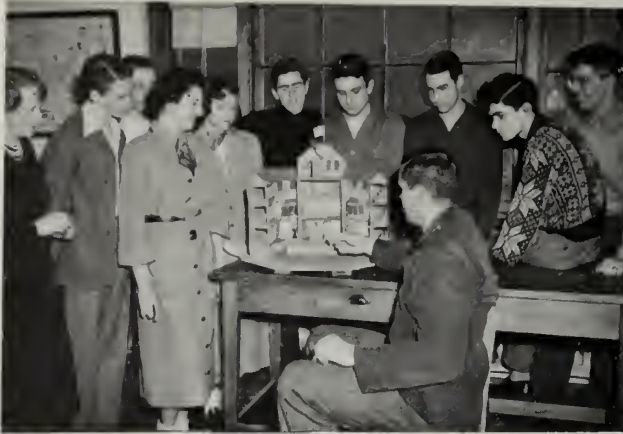

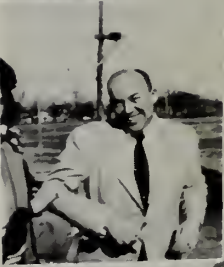

### BOYS' TRACK

Last year track was introduced in Duxbury and met with enthusiasm by most of the student body. Not only did we take part in several track meets, but also we had great competition in the school itself for track honors. In the South Shore League Track Meet we placed third even though our team had no experience and other activities kept us from getting all the practice we needed. We hope track will be come a major sport in Duxbury.

Names make the news, it is said. Isn't it true that we like to read about other people—what they are doing, where they are going, how they live and what they think? Especially do we like to read about people we know. World shaking news arouses our interest but the personal bits about our neighbors and friends holds our interest. It is for this reason that a home town newspaper is so thoroughly read and enjoyed by the people of a community. The Old Colony Memorial is your town newspaper. It is written and edited for you. Buy it regularly and keep in touch with your neighbors and friends.
